The 9th Annual GASSER Reunion™ ~ July 2-4, 2010 ~ Norwalk, Ohio

Rules for the 9th Annual GASSER Reunion™

- I. SAFETY:** All cars must meet appropriate sanctioning body's safety requirements.
- II. GAS COUPE & SEDAN BODIES:** (Nostalgia)
- Body types must be pre-1973.
 - Cars must have full fenders, no open wheel cars and non-era wings will be permitted..
 - Hood tops are required, sides may be open and scoops must be era-representative.
 - NO "pony cars" such as a Camaro, Mustang, Firebird, etc. will be accepted. All cars must have an appearance that is consistent with the spirit of a 'Gasser'. Cars that do not meet 'Gasser' requirements will be moved to HOT ROD classes. While this is subjective, the Mid America Willys Club and/or their appointed representative(s) will make the final decision. If there is any doubt of your car meeting these requirements, it is your responsibility to get approval prior to the being allowed to race in this class. You may email a description of your car and photo to: GASSERGUY@gmail.com.
- III. GAS COUPE & SEDAN ENGINES, etc:** (Nostalgia)
- Only gas and alcohol are allowed as fuel.
 - Maximum engine setback allowed is 15%.
 - Superchargers are limited to 6-71 or 8-71 roots-type only.
 - Any steel or aluminum heads are allowed.
 - Any ignition system is allowed.
 - Any intake and carb combination or mechanical fuel injection allowed.
 - No electronic fuel injection will be allowed.
 - Rev limiters are allowed only to protect the engine. They cannot be used to control the car's launch.
 - No delay boxes or throttle stops are allowed. Must be completely removed from car.
 - Data recorders are allowed in AA/GS, A/GS and B/GS only.
 - Air shifters are allowed in AA/GS, A/GS and B/GS only.
 - Trans brakes and/or line locks are OK. 2-Step not allowed.
 - All cars must run with open headers. No Flowmaster or other muffler types allowed.
- IV. CLASSES:** All cars will run heads-up within their class.
